A woman is modeling a purple ensemble by Bela Fashion. The outfit consists of a long-sleeved kurta with a round neckline, featuring intricate floral embroidery in shades of pink, red, and green along the front placket, sleeves, and hem. A matching purple shawl with wide sleeves and a scalloped edge is draped over her shoulders, also adorned with the same floral embroidery. She is wearing matching purple trousers and white open-toe sandals. Her accessories include a gold-toned necklace, a matching bracelet, and a traditional Indian headpiece (maang tikka). The background is a warm, golden-brown interior with classical architectural elements like columns and steps. Decorative brass pots filled with flowers are placed on the steps. The Bela Fashion logo is in the top left corner, and the number 8186 is in a decorative frame in the bottom left corner.
