Fashion is a language  
that creates itself in  
clothes to interpret real  
ity. When a person is in  
fashion, all they do is  
right and their style is  
the dress of thoughts,  
and let them be even so  
just.

Eternal

Magic

It is always not  
defeating to pretend to  
the style of a generation  
younger than your own;  
it simply erases your  
own experience as the  
story.
